working with us

a high level service from start to finish.

01 CONSULTATION

Your first consultation with us will be complimentary, our interior expert will discuss your requirements and recommend one of our services most suited to you.

02 SURVEY

We will visit your property to complete a detailed site survey, considering the shape and size of each room to identify a furnishing inventory specifically suited to your property.

03 CREATION

Following the survey, our team will proceed with creating an interior proposal tailored to your property.

We will consider the existing interior finishes to ensure your property is professionally presented with furnishings that complement.

04 ORDER

Now it's time for you to sit back and relax.

Once you have placed your order, we will proceed with processing and managing all relevant manufacturers and sub-contractors.

05 DELIVERY

Our project coordinators will manage all aspects of the order, from correlating deliveries to arranging access for our skilled installation experts.

06 STYLING

Furniture will be put into position, artwork hung and beds dressed meticulously leaving your property beautifully presented for occupation.
